Companies use Relativity

An overhead, top-down view of three people sitting at a long white desk in an office. They are all focused on their work, with their hands on keyboards and mice. The person on the left is wearing a dark jacket, the middle person is wearing a plaid shirt, and the person on the right is wearing a green hoodie. The desk is equipped with multiple computer monitors, keyboards, and mice. The background is a dark, wood-grain wall. The overall lighting is dim, creating a professional and focused atmosphere.

Tech trends facing corporate legal teams

Tech Trends Facing Corporate Legal Teams

Tech-savvy GCs are more common

GCs are generating more value from data

GCs are streamlining their approach to legal issues

GCs are looking at service delivery more holistically

Trends Facing Australia

- Greater need to embrace technology
- Rapid Digitization
- Increased scrutiny into governance, culture and compliance
- Consumer data right (CDR)

Of Screen Time

A blurred background image showing a person in the foreground using a smartphone. The person is wearing a light-colored, textured sweater. In the background, there are other people, including one wearing a dark cap, and a wall with a pattern of light-colored circles. The overall scene appears to be an indoor social gathering.

Considerations

Considerations When Evaluating New Tech

Security Considerations

Threats

Response

Phishing and account hijacking

Mandatory in-depth security training of all staff how to best detect, report and avoid such attacks.

Ransomware, Wiper Malware, and Remote Access Trojans

World-class, latest generation firewalls, Web Application Firewalls, EDR on endpoints, Email monitoring all powered by Threat Intelligence information

Insecure interfaces and APIs and Vulnerabilities

Internal and third-party vulnerability assessments, üPen testing, Secure by Design™

Bad Actors and Nation State Actors

Dark web monitoring, Threat Intelligence gathering internally and provided by ISACs and commercial providers

Insider Threats and Data Exfiltration

Endpoint monitoring with EDR and Data Loss Prevention tools

A photograph of a diverse group of people sitting in an audience, likely at a conference or event. The focus is on the foreground, showing several individuals looking towards the right. The text "THANK YOU" is overlaid in large, bold, white capital letters across the center of the image. The background is slightly blurred, emphasizing the audience members in the foreground.

THANK YOU
